

Cheri Anderson

612-644-6600

Production Designer

www.NailsAndSilk.com

Creative and thoughtful individual enjoys creating environments to inspire. Proven ability to understand what is needed, develop and implement a plan that accomplishes goals within project budget. Enjoy all aspects of the process from planning to production. Fabulous eye for art direction and design. A director I worked with recently gave me a lovely compliment when he said “Cheri stands for cinematic excellence.”
